RICHMOND

To Manufacture.

There is a movement on foot to interest growers of burley tobacco in the organization of companies for the manufacture of their product. This movement has grown out of the recent decision of the Supreme Court ordering the dissolution of the American Tobacco Company, and through which tobacco men generally see an encouraging outlook for the establishment of independent factories in the tobacco producing states.

The growers who are foremost in the movement argue with their brothers of the industry that they would realize better returns than if they continue to sell the weed in loose leaf order or in hogheads.

It is not likely that there will be another pool of the raw material. The cost of pooling under the methods of the Burley Tobacco Society was enormous, and it is a matter of open comment that the majority of the growers who went into that organization with their tobacco have come out of it disappointed at the net returns for their crops. There are some who still have unsold tobacco of the 1909 crop in the pool, and there is no apparent hurry on the part of President Lebus and the Executive Board of the Society to sell this residue and wind up the affairs of the organization.

Smith Caught.

After eluding the vigilance of the officers of three counties for the past three years, Wiley Smith, who it is claimed stole a horse from Thomas Vaughn and traded it to a man in Jackson county in May 1908, was captured just over the line in Jackson county last Thursday by Deputy San P. Bush and lodged in jail here. Vaughn identifies the man as the one who hired a horse and buggy from him in May 1908 and the rig was not recovered until it had been traded off to Jackson county parties and was later found in Laurel county by Deputy Bush and Mr. Vaughn. Smith made his escape and claims since that time to have been in Oklahoma and Tennessee. Mr. Vaughn, is Manager of the Idamay Coal Co. here, but at that time was in the livery business on Main st. There was a state reward of fifty dollars for Smith, which will go to Deputy Bush.

ROBERT SALMER.

Long.

The news of the death of Morris T. Long, which occurred at his home in Danville last week was received in his native county of Madison with much regret. Mr. Long was born near Kirksville and is widely connected in that section. For many years he has been in charge of the colored department of the State School for Deaf at Danville and no more popular man ever lived in Boyle county. He was sixty-eight years of age and is survived by a wife, Mr. Long was in Richmond about two weeks ago and paid the Climax office a call. He was a great disciple of Sir Isaac Walton and had intended coming to Richmond this week for a visit to relatives and to enjoy a few days fishing in Lake Reba.

Seemed to Give Him a New Stomach.

"I suffered intensely after eating and no medicine or treatment I tried seemed to do any good," writes H. M. Young, Editor of The Lake View, Ohio. "The first few doses of Chamberlain's Stomach and Liver Tablets gave me a surprising relief and the second bottle seemed to give me a new stomach and perfectly good health." For sale by Stockton & Son.

Brown.

Mr. Wallace Brown, of Nelson county, representative elect and candidate for speaker of the House in the next General Assembly, was in the city last Wednesday talking with several friends. Mr. Brown is against the "ring" and claims that he will defeat the Blair-Schoberth-Holland regime, which he claims is organizing to control the next general assembly.

**A New Back for an Old One.
How It Can Be Done
In Richmond.**

The back aches at times with a dull, indescribable feeling, making you weary and restless; piercing pains shoot across the region of the kidneys, and again the lions are so lame to stop, is agony. No use to rub or apply a plaster to the back in this condition. You cannot reach the cause. Exchange the bad back for a new and stronger one. Richmond residents would do well to profit by the following example.

L. M. Cox 302 Bowyer St., Lexington, Ky., says: "My occupation requires much heavy lifting and I believe this was the cause of my kidney trouble. I first noticed a dull pain in my back which became so acute that I could not rest. When I arose in the morning, I was lame and stiff and felt so tired that I could hardly commence the day's work. My kidneys were also disordered and the kidney secretions caused me much annoyance by their frequency in passage. I doctored and tried many remedies but could not find relief. When suffering severely I don't know where I was brought to my attention and decided to take them. I procured a supply. I soon improved and by the time I had taken the contents of a few boxes, I was cured."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name--Doan's--and take no other.

At Broadhead.

Broadhead, the hustling little city in Rockcastle county, is making great preparations for the annual old time fair, which convenes this year August 16, 17 and 18th. This is really an old fashioned country fair and many people from these parts attend. The railroad is offering one fair plus 25 cts for the round trip.

An ordinary case of diarrhoea can, as a rule, be cured by a single dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. This remedy has no superior for bowel complaints. For sale by Stockton & Son.
